

# Dermatology Premium Patient Education

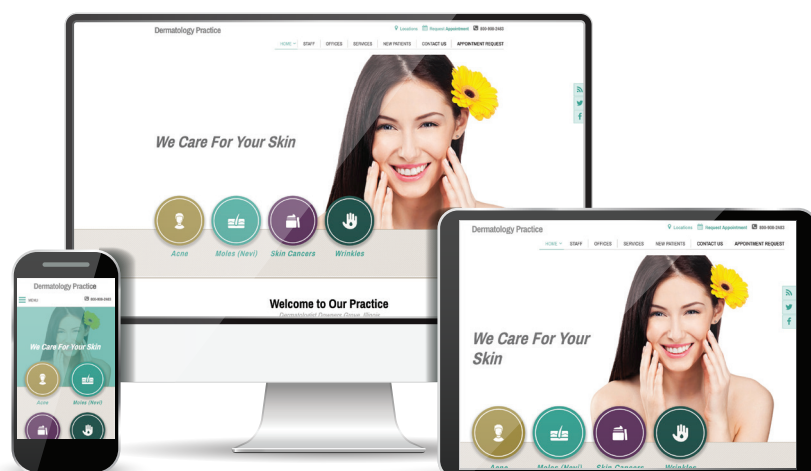

## Benefits of Our Premium Patient Education:

- » Increase case acceptance with new patients as well as returning patients.
- » Gain new patients.
- » Establish credibility for your practice.
- » Become an educational resource for your community 24/7 with the finest patient education available.

## Our Premium Patient Education Includes:

- » The AAD Content Solution includes the patient facing dermatology content, including written copy, illustrations, images and videos under the areas of Disease and Treatment, and Skin, Hair and Nails.
- » 63 articles/infographics
- » Approximately 37 Videos
- » Content updates will be delivered in January and July each year or six months after release on the AAD website.
